Coverage Rationale

For medical necessity clinical coverage criteria for gynecomastia surgery, refer to the [Florida Medicaid Integumentary Services Coverage Policy](#).

Applicable Codes

The following list(s) of procedure and/or diagnosis codes is provided for reference purposes only and may not be all inclusive. Listing of a code in this policy does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by federal, state, or contractual requirements and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other Policies and Guidelines may apply.

Note: Coding for suction lipectomy is addressed in the Medical Policy titled [Panniculectomy Surgery](#).
